Corporate Challenge Relay

The Corporate Challenge Relay is an important element of the Accenture Escape from Alcatraz Triathlon promoting teamwork, a healthy workforce, corporate health and maintaining a work/life balance. The Corporate Challenge Relay is an opportunity for workmates to participate in a social atmosphere outside of the workplace, while promoting a healthy, active lifestyle.

The Corporate Challenge Relay also provides an opportunity for positive competition among corporate teams, as well as a chance to network within the business community. Corporate Teams will compete for the “Keys to the Rock” Corporate Challenge Cup. This perpetual trophy will reside for the year at the winning company or organization’s offices. The winning company or organization is invited back the following year to defend their title and retain all the bragging rights that go along with it.
